

Silver Valley Unified School District  
P.O. Box 847  
Yermo, CA 92398

Dear Parent:

As you are aware, the Silver Valley Unified School District is heavily impacted with federally connected students. Because of this federal impaction, the Silver Valley Unified School District receives compensation from the federal government in lieu of property taxes which cannot be levied on government land. In order for the District to receive this compensation, a survey card from each student must be completed.

**Impact Aid helps all students in the District!** Please fill out the information requested below, paying special attention to the highlighted areas on the card. Your cooperation in helping our District receive its full entitlement is greatly appreciated.

Thank you.

**PARENT-PUPIL SURVEY FORM**
