

FLYER FOR STUDENTS IN GRADES ELEVEN AND TWELVE

California High School Proficiency Exam (CHSPE)

2014–15

What is the CHSPE?

- The California High School Proficiency Examination (CHSPE) is a voluntary test that assesses proficiency in basic reading, writing, and mathematics skills taught in public schools. The CHSPE consists of two test sections: mathematics and English-language arts (ELA). The ELA section has two subtests (reading and language). Eligible persons who pass both parts of the CHSPE are awarded a Certificate of Proficiency by the State Board of Education. The test is given in English only.

Who is eligible to take the CHSPE?

You may take the CHSPE **only if** on the test date, you:

- are at least 16 years old, **or**
- have been enrolled in the tenth grade for one academic year or longer, **or**
- will complete one academic year of enrollment in the tenth grade at the end of the semester during which the next regular administration will be conducted. (Regular administrations are the fall and spring administrations each school year.)

When is the CHSPE offered?

Certificate of Proficiency

California law requires that the Certificate of Proficiency be equivalent to a high school diploma. Institutions that are subject to California law and that require a high school diploma also must accept a

Certificate of Proficiency. A student who receives a Certificate of Proficiency may, with verified parental approval, leave high school early. The Certificate of Proficiency, however, is not equivalent to completing all course work required for regular graduation from high school. Speak to your school counselor to understand the benefits of the Certificate of Proficiency. This certificate meets the federal financial aid requirement of a high school diploma or equivalent. If you are planning to continue your studies in a college or university, contact the admissions office so that you may understand its requirements and whether or not the CHSPE certificate will be accepted.
