

PROTECT YOURSELF AND YOUR FAMILY... GET A FLU SHOT!

Emergency Preparedness, Practice makes Perfect!

Free Flu Shot

The San Bernardino County Department of Public Health's emergency mass vaccination exercise will help test the county's ability to provide medication to the public during a public health emergency such as bioterrorism or influenza pandemic.

Vaccine Guidelines

The **free flu** vaccination will be available to people:

- 2 years and older, a parent or guardian must accompany children under 18 years of age
- Children under 9 years of age may require two (2) doses of flu vaccine (4 weeks apart) based on prior vaccination history
- Flu Mist will be provided to healthy people age 2 years thru 49 years only
- Pregnant women will be offered a flu shot on a first come, first serve basis due to limited supply
