

SILVER VALLEY USD
RESPONSE TO REQUEST FOR INFORMATION
DISTRICT WIRELESS WAN BACKBONE PROJECT

(a) The Bidder Pre-Qualifications Guidelines document refers to a workbook which is not provided on the website. Is there a workbook which applies to the Wireless Backbone RFP and if so, may we please receive a copy of it?

NO WORKBOOK AVAILABLE. PLEASE SUBMIT USING YOUR OWN SPREADSHEET.

(b) The Bidder Pre-Qualifications Guidelines requests a "... one-year contract, with the option for annual extensions up to four years.", while the WAN Backbone document specifies "The minimum of a five (5) year contract shall be provided with all installation charges clearly identified. Future contracts and/or renewals will be at the discretion of the "The District"." Please clarify the differences in the two requests.

YOU MAY SUBMIT EITHER ONE YEAR WITH OPTION FOR EXTENSION OF 4 ADDITIONAL YEARS, OR THE LIMIT OF A 5 YEAR CONTRACT.
